EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Philip Rodman on February 6, 2008. The application has been amended as follows:

in claim 1, at the end of line 21 insert a semicolon and begin a new line and insert --wherein said rope locking device is separate and spaced from said direction reversal means and can be translated along said rope while said direction reversal means remains fixed--.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record fails to show or teach an apparatus as recited in claims 1 or 15. Specifically, with respect to claim 1, the art does not disclose or make obvious an apparatus having a rope locking device as recited, with one part of the rope being releasably locked in one side of the rope locking device and can be released by being pulled out sideways from the device, as well as an opposite side of the rope locking device being attached to another part of the rope, and with the direction reversal means and rope locking device being separate and spaced elements so that the locking device can be moved along the

rope while the direction reversal means remains fixed. Regarding claim 15, subject matter indicated allowable was rewritten in independent form as indicated in the Office action dated March 22, 2007.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ALLANA LEWIN whose telephone number is (571)272-5560. The examiner can normally be reached on Monday-Friday, 9AM-5:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, LoAn Thanh can be reached on 571-272-4966. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
